At a recent meeting of the members of the senior class of Spaulding high school the following officers were elected for the coming year in addition to President Lawrence Campbell: Vice-president, Miss Mildred McGuire, and treasurer, Miss Catherine Fitzgerald. The office of secretary has not yet been filled, but that office will be filled in a few days.

Members of the Goddard football squad were put through a hard scrimmage last evening at the hill-top campus, preparatory to their annual football game with Colby academy, which will be played Saturday afternoon at New London, N. H. The proposed game between the second team and the Bethel team has been cancelled on account of the large number of players to be taken for the Colby game.

Frank Townsend of Fairbanks, Alaska, is passing a part of his annual vacation with his father, Charles B. Townsend, of Washington street. The latter is in feeble health and has recovered only partially from a fall which he sustained some time since. His son is engaged as a railroad engineer in Alaska and is making one of his infrequent trips back to the states. While absent from his duties he will transact business in the East for the company which operates the railroad. Mr. Townsend's brother, Carroll, is also a resident of Alaska.

Manager John E. Hoban of the opera house is in receipt of a telegram from Charles D. Wilson of the Saratoga, N. Y., theatre, regarding the production, "So Long Letty," which plays at the local theatre to-night. It is as follows: "Wish that you would run personal guarantee of this show. You can stake your reputation on it, with Morosco behind it. The orchestra will play in your theatre for the first time any place, a march called 'Liberty Loan,' by William (Walley) Bartlett, our violinist, who is a native of Montpelier. Charles D. Wilson." A large advance sale of seats is reported.

The recent influx into Barre of a number of heavy auto trucks has led to the prophecy that the day of the horse-drawn granite outfits in this district is passing. Lately several heavy motor transports have been introduced by local teamsters as the best and cheapest means of conveying granite from the quarries to the quarries, from the sheds to the freight sidings. It is stated that motorization of stone transportation has worked out successfully wherever tried, but more optimistic teamsters believe that the demand for horses will continue for some time, although it is conceded that the maintenance of teams in these times of high prices is a trying problem.

AMUSEMENT NOTES

"So Long Letty" at Opera House To-night Scored Success in Rutland.

The Rutland Herald to-day says of "So Long Letty," which appears at the Barre opera house to-night:

"One of the biggest theatre audiences ever seen in the Shrine laughed last night, applauded and declared 'So Long Letty' to be the most original, snappy, handsomely set of well-governed musical comedy that had come their way for many moons."

"It was a quick-tempo show, full of pep and high voltage. Small wonder, perhaps, that the electric fuses blew out before the curtain-rise and caused some slight delay in getting the 'juice' connected through. But there were no heated fuses in the farce, the music or the extremely clever company which produced the piece here."

"Originality, however, ought to be the producer's real name, for he has done the undecidable in musical comedy—given a new story, new settings and some original music to a much overworked kind of entertainment."

It Is An Old, Old Story

"that you are more liable to lose on a losing horse." You are most likely to win on a winner. Among the multitude of ladies' apparel houses selling in New England, none has come to the front so fast during the last three years as the house of Printz-Beiderman Co.

Our success has come from matter-of-fact adherence to the plain, self-evident truth of business. We have come to take our place among the leading apparel houses because we have carved out a definite policy of SERVICE AND VALUE and held unswervingly to it.

We want you to see our large line of Coats, Suits, Skirts and Waists, which are unusual values at the present time.

Ladies' Fall and Winter Waists

We have now an unusually large line of the season's best values in Ladies' Waists of all qualities, in a large variety of styles and qualities.

One line of Waists which have come in this week are a regular Tailored Waist that is made up in heavy Crepe de Chine, Handkerchief Linen, Dimity and Lawn. These are extremely new and very popular just now. These are made in the newest tailored style and you will like the change and the tailoring will appeal to you.

In the Silk Waist models are some good All-Silk Jap Waists in whites and colors, also Stripes, that we are selling at \$2.00 each, that are real values.

In the Crepe de Chine, Georgette Crepe and Habiti Silk Waists, we can show you some unusually good models in qualities from \$3.50 to \$7.75. Also some unusually good models in Colored Embroidered Front that are new and very good just now.

Ladies' Warm, Serviceable Coats

We have some new models in Coats, such as the Wooltex and Printz-Beiderman make, that will surely appeal to those who want a Coat for service, and at the same time are looking for the best styles of the season.

It is hard to get a Coat this season to sell at a small price, but when you come to Coats to sell at from \$12.50 to \$40.00, we were never able to give you any better values for your money.

When you buy a good Coat this season, you buy a Coat that is bound to be good style for at least two years. The straight tailored lines and fullness around the skirt make these Coats the most conservative garments we have sold in many seasons. You will be pleased with the graceful lines and the values are surely extra good. We have new models coming in nearly every day. See them.
